

Incident Reporting Involving Minor Child

Today's Date: 4/15/26

Reported By: Michael Duncombe
DOB: 09/12/1988

Date of Incident: 4/5/26

Location: 9700 Hudson Blvd N.

Unit 1304

Lake Elmo, MN 55042

Approx Time: 9:30pm

Minor Child's Name: Levi Johnson (6)

Parents Names: Dillion Austin Johnson and Olga Kobzar

Victim's Name: Michael Duncombe (37)

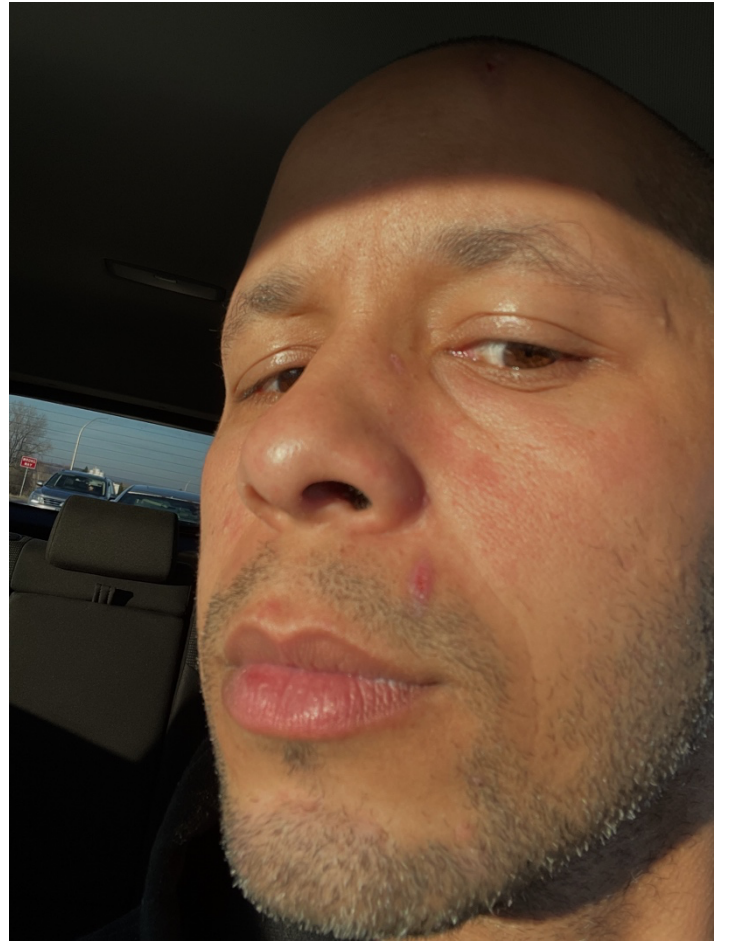

On the date listed above while I was falling asleep in my bedroom an unprovoked attack occurred which left me with 3 separate lacerations to my face and a bruised eye caused by the hands of Levi Johnson. Levi shared to his parents and grandmother who were in the other room at the time that I had fallen and hit my head into a wall (concrete) that caused the damage to my face.

After attempting to present the evidence of the incident to his parents this past week they have continued to keep their head in the sand and believe the story of a 6 year old without providing any actual evidence. With the nature of the incident that has real-life consequences and potential implications of such behavior- the prudent thing to do is ensure that this incident is reported with the intent to have documentation and if an investigation is warranted have the opportunity to present evidence. The most essential result of this incident report is to get to the truth and provide the appropriate resources for the child and family.

The parents currently have a case on file with CPS.

I have provided photos of my sustain injuries and my business card in the envelope. You may contact me anytime.

Just want to let you know frany that after this you've lost all grandkids and both sons!!! Do not bother contacting any or either of us or our partners. That grown ass child you keep protecting is the lowest form of human life, you choose a drunk piece of shit over your grandchildren. He's grown wtf dose he have to protect? Absolutely nothing cause he has NOTHING and never will amount to shit. So hope he was worth it, like I said no one will be in contact or getting in contact with you, you can take both is Dillion and I out of your will and don't even have it given to our kids. This is the most bitch ass thing I've ever heard and if I ever see Mickey Mouse it's on site fucking worthless coward. Over a scratch lol
